

# BELL FARM PRIMARY SCHOOL

Working with the community

## Home and School Partnership Agreement

for the success of.....

Bell Farm Primary School aims to work in partnership with parents/guardians and their children in providing a secure and stimulating environment in which your children can develop academically, physically and spiritually through a range of experiences and opportunities.

It is essential that parents and school enjoy an active partnership to ensure that all our children succeed in reaching their best potential whatever their skills and strengths. To do this there must be wholehearted commitment from all concerned. As children grow older, they too will be expected to take on an increased level of responsibility and increase their contribution to this partnership. Strong partnership will support pupil self esteem, individual success and high attainment.

### At Bell Farm we commit ourselves to:

- upholding our school vision and mission statement, in both the work done in school and through a range of extra curricular activities.
- providing a secure, caring and stimulating learning environment, which recognises and celebrates all achievements.
- providing the best teaching and learning environment possible, where individual skills, abilities and talents can be developed fully.
- listening and responding to, the needs and concerns of pupils and parents.
- keeping parents and guardians both informed and involved with your child's progress.

### As a parent/Guardian, we/I commit ourselves/myself to:

- taking an active and ongoing interest in my child's work and behaviour in school.
- helping and encouraging my child to work to the best of his/her ability, both at home and in school; to ensure that homework is completed and reading books returned to school on the correct days.
- coming to parents' 'Open Evenings', and responding to Records of Achievements, identified targets, letters and requests (e.g. meeting with the teacher) in all matters relating to the education, health and welfare of my child.
- ensuring my child comes to school on time and everyday, unless unwell; keeping the school properly informed about any days my child is unable to attend school.
- taking holidays whenever possible, during the school holiday period only.
- ensuring my child wears the full school uniform everyday and is properly equipped.
- supporting the school's policy on behaviour and the development of positive learning attitudes.

**We are committed to the above partnership at Bell Farm Primary School.**
